

Amidst Rapid Growth, Credit Union Leverages **Axiom** to Maximize Efficiencies and Minimize Costs

OREGON STATE CREDIT UNION

- Not-for-profit financial cooperative
- Serving 24 counties in central and western Oregon since 1954
- Adopted Axiom Software in 2011

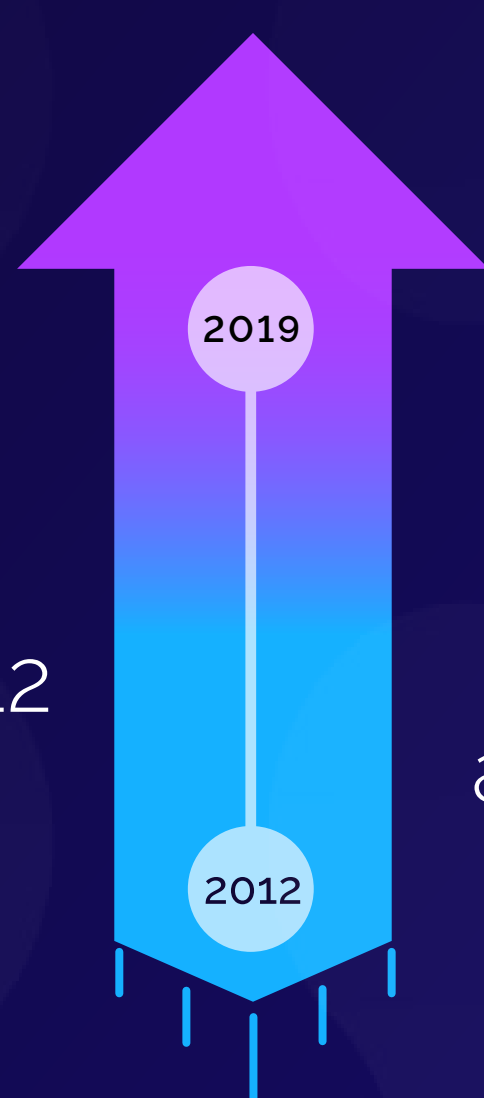

“ As an accounting and finance team, we have moved nearly everything we used to do in Excel into Axiom. It is our 'go to'. ”

- Bobbie Warner, Executive Vice-President/CFO, Oregon State Credit Union

EFFICIENCY MULTIPLIED

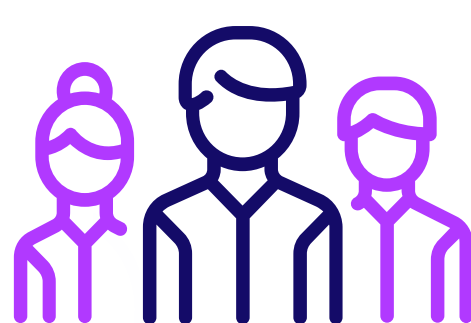

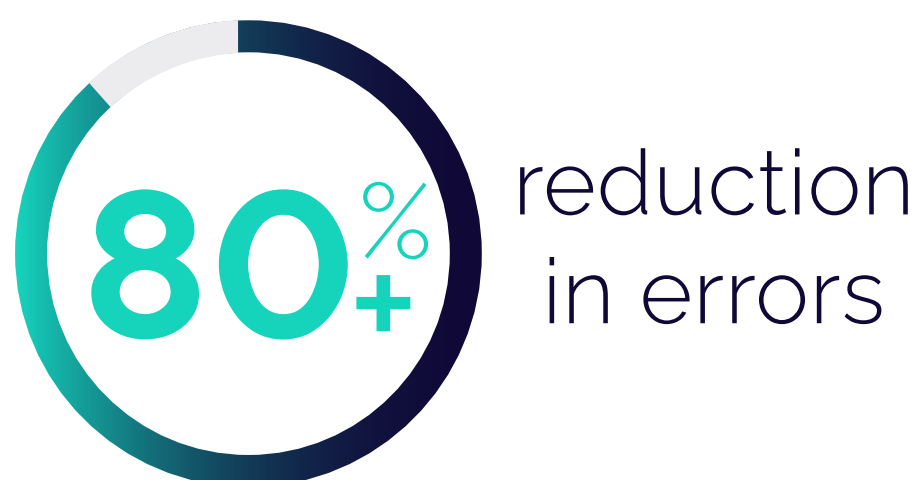

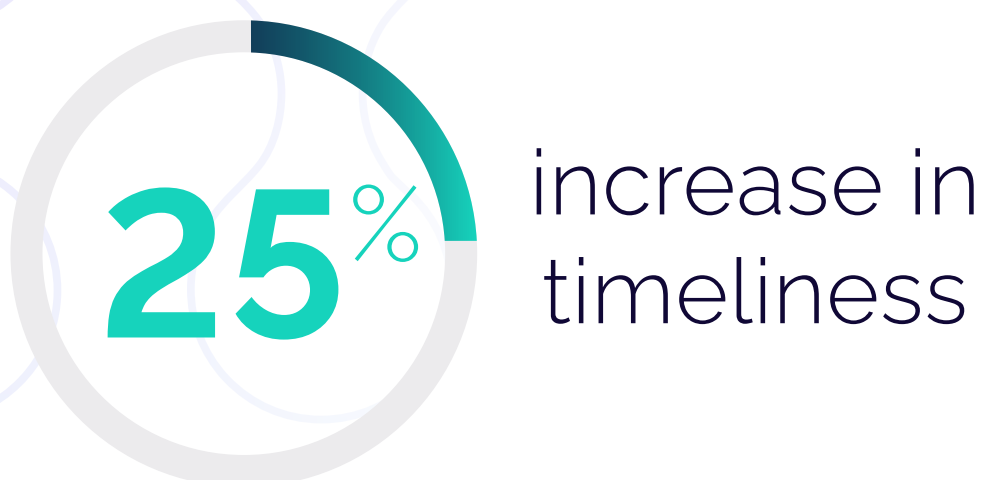

100+%
growth since 2012

0%
finance and
accounting FTEs

TIMELY DATA, ORGANIZATION-WIDE

Tasks that took 2 days, now take 10 minutes due to “input once” efficiency.

STAFFING SIMPLIFIED

“ We don't need people to have SQL skills. They just need to know a little bit about Excel. ”

- Bobbie Warner

15 to 20%
reduction in staff onboarding time

“ Team members I trained on the Axiom software are now training other team members. We have a system around which others can be successful in perpetuity. ”

- Bobbie Warner
